SUMMARY

I am a detail-oriented and experienced craftsman specializing in custom woodwork and installations for commercial and residential spaces. I am skilled in both power and hand tools and have a strong track record of adapting designs to meet the specific needs of businesses and homeowners. I am committed to exceeding client expectations by delivering exceptional craftsmanship and creative solutions. My passion for collaboration extends to all aspects of my work, from continuous learning to maintaining a positive approach to every project. This ensures the highest quality of work and seamless execution. Over the past ten years, I have honed my woodworking skills, from home remodeling to finish carpentry.
